Permission Form

Dear Parent(s),

One of my goals this year is to maintain an up to date web page for families (www.vstauffer.com). Student work and photographs may appear on the web page. Last names or other information that may individually identify students will not appear on the web page.

I understand that images of my child and/or work samples may be posted on the web page www.vstauffer.com and grant permission for these to appear on the site.
